

T.I.E. Conference in Tendo 2006

Hello, everyone!

We are working on programs which make Tendo convenient and international city. We are going to hold a conference for people who are from overseas, which have purpose to discuss Tendo with people originally from Japan and people from overseas. Anyone who would like to have chances to speak with someone from same-homeland, or who would like to tell others about your experience, or who would like to have information, feel free to join this conference. We are very open to listen your opinion. Some interpreter will join us.
